

Value for money!

Customised Graphical Website Templates

Choose from 2 templates which have been uniquely customised to your business branding.

10 HTML Pages

Your website will be built in accordance with today's standard using HTML/CSS to provide a wide range of browser compatibility. 1 HTML page is based on approximately an A4 page of content.

Content Management System (CMS)

Ability to update content within your website yourself straight from your internet browser. It is the best way to keep your website up to date.

Dynamic Image Gallery

Ability to update images within your website using the CMS straight from your internet browser. You can view examples online.

Email Stationery

Send emails from Outlook or Thunderbird with a stationery style that reflects your business branding. You can view examples online.

24 Months Website Hosting

Quality Australian hosting with guaranteed up time of 99%. Unlimited email addresses are included.

Search Engine Optimisation

Your website will be optimised for high rankings in Google, Yahoo and Ninemsn. It is our aim for your website to rank first for your business name within Australia.

12 Months Directory Advertising

12 month subscription to our promotional directory (normal value \$199) to boost your linking strategy. Includes Google Analytics for reporting.

Quality Assured Development

The website will meet strict quality assurance testing before being delivered to you, that way we make sure it works right the first time.

BONUS Enquiry Form with Google Maps

Your website will include a contact/enquiry form as well as an interactive Google Map which displays your location and allows a visitor to find directions.
